### Chat Consultation

Start an online clinical chat consultation with a doctor.

Post unlimited follow-ups to the doctor for the next 50 or 100 hours by picking one of our #icliniq50hrs or #icliniq100hrs chat services. Easily accessible via our comprehensive Online consultation app available both in Android and iOS.

START CHAT CONSULTATION

Click on "START CHAT CONSULTATION" under the head "CHAT" in the home screen

## STEP 1:

**A. Enter your health query and choose the relevant specialty.**

**B. Fill in the signup form**

**C. Choose either #icliniq50hrs or #icliniq100hrs and click on » **Start Chat****

## STEP 2:

Verify your invoice and click on "Pay". You will be redirected to the payment screen where you can make the payment.

A doctor will be assigned to your query and will be answering follow-up questions for the next 50 or 100 hours based on the plan you have chosen.
